## *Futon Blonde*

## *Prizes*

Prizes is the rollicking new indie rock single from Austin band Futon Blonde. The upcoming track sees the group explore an almost country-inflected hop, with revved up drums and a fuzzy guitar twang, culminating in the anthemic choruses of “and when you cry/all my thoughts go blind”. The single comes from their upcoming EP, *Something That We’ve All Experienced Together Before*, the first of three EP’s to be released in 2023.
